Dee,

I will attempt to get another position. In order for me to have a chance at any jobs, I will have to act quickly with most positions being advertised now with deadlines looming in early February. Schools will want to speak to the Board President to see if I'm worthy of having. I am asking your permission to list you as a reference, I'm hopeful you can find something positive to say about me. Could you, and would you, write me a positive letter of recommendation? I apologize for the urgency, but if you are willing to I would need it this week. If I'm fortunate enough to get an interview, my only angle is that I'm not made for a 4A, too political and removed from the children. Please let me know if I can list you as a reference. At this point, I would like to keep this between you and me. Thank you.

Mike

Mike-

Absolutely I will Mike. There are many great things I can and will gladly share to help with this transition. To be sure I meet your deadline, let me get a draft together in the next couple of days that you & I can review and edit. Confidentiality is important for all and I will not share with anyone—

Dee

Adrian Talbot is the only other person I have asked for a reference. He will keep it confidential. Thank you.

Dee,

As stated throughout my closed sessions, communications has been a problem. I have stewed all weekend over the issue of applying other places and with board communication. I am requesting the closed session tonight so I can notify the board of my intent to apply other places. I want to follow the practice of "no surprises", and if I didn't notify the board, it would be one more example of me not communicating. I only need 5 minutes. The agenda already reflects a closed session. Thanks.

Mike
